**FOR CONSUMER LOAN ACCOUNTS ONLY — BILLING RIGHTS
SUMMARY**

In case of Errors or Questions About Your Bill:

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at P.O. Box 1377, Lewiston, Maine 04243-1377 as soon as possible. We must hear from you no later than sixty (60) days after we sent you the FIRST bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

FINANCE CHARGES: Although the Bank uses the Daily Balance method to calculate the finance charge on your Moneyline/Overdraft Protection account (the term "ODP" or "OD" refers to Overdraft Protection), the Bank discloses the Average Daily Balance on the periodic statement as an easier method for you to calculate the finance charge. The finance charge begins to accrue on the date advances and other debits are posted to your account and will continue until the balance has been paid in full. To compute the finance charge, multiply the Average Daily Balance times the Days in Period times the Daily Periodic Rate (as listed in the Account Summary section on the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle, then dividing the total balance by the number of Days in the Billing Cycle. The daily balance is the balance for the day after advances have been added and payments or credits have been subtracted plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are included in your total finance charge.

IRAS AND KEOGH PLANS

Citibank, N.A. is custodian of your Citibank IRA and trustee of your Citibank Keogh Plan.

CREDIT PRODUCTS

Checking Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid interest charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The interest charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance", we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the interest charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called Interest Charge Calculation.) Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary. Interest charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total interest charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, by phone - call (866) 275-2484, at any Citibank branch, Citibank Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: Citibank, N.A., PO Box 74003, Phoenix, AZ 85052-8003

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement. You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and Federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual for details.
